

How many MRAC grants may a group have at one time?

The following policies cover concurrent grants in MRAC's major grant programs

- Groups may have one (1) Project Support grant, one (1) Organizational grant, and one (1) Arts Learning grant during each MRAC fiscal year.
- Eligible groups that have an MRAC-funded project in process may apply for a subsequent grant in the same program if the first project is completed before MRAC's published "earliest project start date" for the new project. Final reporting requirements must be met before any new funding will be released.
- Groups may apply to any two of the four project support deadlines (Arts Activities Support or Community Arts) but may receive only one project support award per MRAC fiscal year.
